Review: Big Babies by Michael Bywater | Books | The Guardian

Michael Bywater's four illustrations of how he thinks society has become overly child-like, Big Babies, is both thought-provoking and amusing, says Stephen Law.

Big Babies: Or: Why Can't We Just Grow Up?: Michael ...

Big Babies can easily be summarized quickly: "80% of everything is stupid" and Bywater's overarching theme of us being infantilised, i.e. being treated as big babies as well as far too often acting like big babies.

Big Babies ebook by Michael Bywater - Rakuten Kobo

Michael Bywater turns his penetrating eye on the state of Western culture, from politics and the media to show business and science, from the White House to Buckingham Palace, from MTV to the BBC, from mission statements to Viagra spam, and concludes we are all Big Babies now. With enormous brio, he argues that the Baby-Boom generation is now running the show, and its own commitment to
