Charles Dickens and the Street Children of London
Charles Dickens and the Street Children of London. In the 1830s when Dickens began writing his novels, London was a huge, filthy city with many poor people living in slums that defy description (though I've tried hard in my book to do just that). The average life span for the poor was a mere 22 years.

Charles Dickens and The Street Children of London tells

the tale of Dickens' personal life, philanthropic work, and literary efforts to make the world a better place, and it tells that tale well. As a biography, it's a very focused scope, with the intention of looking specifically at the impact the world had on Dickens and that Dickens had on the world.

a book review by Janice Durante: Charles Dickens and the ...

Charles Dickens was not alone in his efforts to improve British society's treatment of the poor. Ms. Warren provides context for the novelist's values by describing the efforts of such reformers as Handel, the painter William Hogarth, Thomas Barnardo, who fed and educated poor children; and Thomas Coram, who built the much-needed Foundling Hospital in Bloomsbury, where Dickens lived.
