Equality and Economy : Michael Blim : 9780759106888

Dr. Blim's book is written as an engaged introduction to the nature of the contemporary global economy. He argues for the centrality of equality as the key value in a world where economic growth has failed to decrease levels of inequality, and that such a situation is morally indefensible and requires a consideration of alternative forms of Equality and Economy: The Global Challenge by Michael Blim

Anthropologist Michael Blim identifies equality as the key global issue of our time, the value above all others that will improve human well-being. Using it as a measure for policy, he demonstrates how equality can be operationalized and change how our economies function, both in the United States

Michael Blim - Anthropology PhD Program

Michael Blim is the author of Equality and Economy: The Global Challenge (2005) and Made in Italy: Small-Scale Industrialization and Its Consequences (1990); he is co-editor with Frances Rothstein of Anthropology and the Global Factory (1992). He is currently writing a book about narratives of economic decline based upon new field research in Central Italy. A second book on equality and global
