Everything is Broken is a sad story, but Larkin presents a
good amount of material quite well (especially given the
difficulty of obtaining reliable information). The more
widespread availability of digital cameras and the Internet
suggests that information-control is getting more difficult,
but for now this terrible regime seems still in remarkable
control; any bit of additional information

Everything is Broken is written by a journalist named
Emma Larkin. This book is an account of her time spent in
Myanmar following the days, weeks and months in the
country collecting stories from survivors. In the first
section of the book, she retells how the cyclone hit
Myanmar, with graphic details of the destruction and
death. At this point, the reader learns that the military junta
