Fundamentals of Building Contract Management -  
Thomas E ...

Stripping contracts of their legal mystique and jargon, this  
reference offers essential information on the entire contract  
administration process. Divided into three sections, this  
easy-to-use guide covers potential issues from project  
inception to finish and includes sample contracts as well as  
an overview of the most recent statutory legislation.  
Comprehensive and practical, this handbook is an  
invaluable tool for both practitioners in the construction  
industry and students across Australia.
