Headstone (Jack Taylor, #9) by Ken Bruen

In HEADSTONE, like other novels by Ken Bruen, the prose lifts off the page and sings for the reader. Bruen is a great stylist. If Cormac McCarthy co-wrote a book with James Lee Burke, it would come out a Ken Bruen novel. Bruen is easy to read, but his stories and his characters always leave me feeling slightly soiled, like I've just pecked in the dresser drawers while visiting a friend's house.

Appendix: A Chronology of Computer Music and Related ...

(p. 557) Appendix: A Chronology of Computer Music and Related Events Pre-1980 events are included with less detail as the focus for this volume is on later events. In addition, this concentrates on computer music and includes only those details of analog electronic music as are important for computer music or to set a context.
