Independence Day is essentially an internal monologue, set on the long July 4th weekend of 1988. It is a sequel to Ford's earlier novel *The Sportswriter*, which I have yet to read, but I never got the impression I was missing anything due to lack of familiarity with the earlier novel. The protagonist is Frank Bascombe, a divorced, well-educated former sportswriter who now makes his living

Ford's story is about, at least by my interpretation, the collateral damage done to others by adults' poor choices. In this case, Dell's and his twin sister's lives go from barely eking by to being set adrift without any parents. Buckle up. The author uses no humor to help relieve his melancholy work.
