'Partonopeus de Blois' by Penny Eley - Cambridge Core

'Partonopeus de Blois' is one of the most important works of twelfth-century French fiction; it shaped the development of romance as a genre, gave rise to adaptations in several other medieval languages and even an opera (Massenet's 'Esclarmonde'). However, partly because of its complicated transmission history, and partly due to the fact that it has been overshadowed by the works of Chr tien de Troyes, it has been unjustly neglected. This first full-length study of the romance brings Partonopeus de Blois : Romance in the Making:
