Denmark is among several OECD countries to request a broad review by the OECD of its national regulatory practices and domestic regulatory reforms. This Review presents an integrated assessment of regulatory reform in framework areas such as the quality of the public sector, competition policy and enforcement, and market openness. It also contains chapters on sectors such as electricity and telecommunications, and an assessment of the macroeconomic context for reform. The policy [OECD Reviews of Regulatory Reform: Regulatory Reform in ...](#)

#### Regulatory reform - OECD

India began its regulatory reforms in the early 1990s, reducing state involvement through the privatisation of companies, by putting in place independent regulatory

mechanisms to boost competition and private-sector-led growth, and to strengthen consumer protection. But the reform efforts lacked coherence and, more recently, have stalled.
