[Roger Williams and the Creation of the American Soul](#) Anyone who reads Roger Williams and the Creation of the American Soul will need to come to grips with the fact that it is Williams, not Winthrop, who best represents the historical roots of the religious liberties that citizens of the United States enjoy today. It is unlikely that Jefferson read Williams, but their views on the relationship between church and state were roughly the same. Whatever the wall of separation means today, it is an idea with a long lineage in the American past.

...

Finished reading Roger Williams and The Creation of the American Soul by John M. Barry yesterday. The book is extraordinary in more than one way, not the least of which is its relevance to current events. I've heard of and seen references to Roger Williams and his role in the early colonization of New England, but this is the first work of any kind dealing with him directly that I've read
