[Siren's Storm \(Siren's Storm, #1\) by Lisa Papademetriou](#)

Siren's Storm totally intrigued me because it deals with sirens- a mythological creature I haven't had the pleasure of being introduced to yet while reading. This definitely is a fun read, but the characters fell flat for me. I couldn't quite connect with them.

[Fury's Fire \(Siren's Storm\) eBook: Lisa Papademetriou ...](#)

Overall, Fury's Fire is an interesting read, and even though I wasn't sure exactly what happened in Siren's Storm, Papademetriou fed in enough back story so I was able to fill in enough details to figure out what was going on. She had a clean style that kept the plot moving at a nice flow, and the book was a very quick read.

[Fury's Fire \(Siren's Storm, #2\) by Lisa Papademetriou](#)

Fury's Fire is an excellent sequel to Siren's Storm. I actually liked it better than the first book, though I did enjoy Siren's Storm very much. The pacing is much better in Fury's Fire and the characters continue their development. This is a face-paced, fresh look at the mysteries of the sea and the creatures that inhabit it. It is paranormal, but it is believable.

[Siren's Storm Series by Lisa Papademetriou](#)

Sirens who visit our world are depicted as creepy and sinister, and this book had a psychological thriller tone throughout the entire novel. Each chapter starts off with newspaper article clippings about weird events that take place around the town, such as artwork being stolen and vandalism.

You books, Lisa Papademetriou, Sirens Storm

Lisa Papademetriou, Sirens Storm. Nothing has been the same for Will ever since what happened last summer. One day, on an ordinary sailing trip with his brother, there is a strange accident. When Will wakes up, he learns his brother has disappeared, presumed drowned. Worst of all, Will can't remember what happened his family finds him **DOWNLOAD | READ Siren's Storm (2011) by Lisa Papademetriou ...**

review 1: I really liked the book. The book is kinda slow in the beginning, but is very suspenseful. Will's brother, Tim, died a year ago on his boat but will who was there doesn't remember what happens.

Siren's Storm by Lisa Papademetriou | NOOK Book (eBook ...

Siren's Storm was a quick, interesting read, but I can't help wishing there was a tad bit more to the story. When the story started, I was a bit confused because of the narrator switched from one point of view to another. I feel like the transitions could have been somewhat smoother, but once I got used to it, it was okay. Between Will's (MC) brother's mysterious death, Gretchen's (MC2
