Stage Blood: Five tempestuous years in the early life of the National Theatre, by Michael Blakemore, is the enthralling, tumultuous behind-the-scenes story of Blakemore's time at the National Theatre, published for the theatre's fiftieth anniversary.

Stage Blood by Michael Blakemore - Goodreads

'Stage Blood', by expatriate Australian theatre director Michael Blakemore, has generated some controversy for its attack on Peter Hall's tenure at the National Theatre, where he replaced (some might say deposed) its founder Laurence Olivier.

Stage Blood by Michael Blakemore

In 1971, Michael Blakemore joined the National Theatre as Associate Director under Laurence Olivier. The National, still based at the Old Vic, was at a moment of transition awaiting the move to its vast new home on the South Bank. Relying on generous subsidy, it would need an extensive network of

fret in this fine memoir of the National Theatre's growing pains, writes Peter Conrad

Michael Blakemore - Wikipedia

Michael Howell Blakemore OBE (born 18 June 1928) is an Australian actor, writer and theatre director who has also made a handful of films. A former Associate Director of the National Theatre, in 2000 he became the only individual to win Tony Awards for best Director of a Play and Musical in the same year for Copenhagen and Kiss Me, Kate.

Book review: Stage Blood - britishtheatreguide.info

For some reason, the cover of Stage Blood looks as if it has been designed for the latest in a murder mystery series starring a familiar detective. On this occasion, that is certainly not the case, although Michael Blakemore has written a real page turner that shines a light on life at the National

Stage Blood (Faber Drama): Michael Blakemore ...

Stage Blood is a great read. Blakemore really gives you a sense of being there and takes you along on his journey as he recounts his often tempestuous experience at the National Theatre. I found it totally fascinating. Famous theatrical luminaries are taken down from their pedestals and come across as human and fallible, probably closer to what they were like in real life. This book clearly is **Stage Blood, by Michael Blakemore review | The Spectator**

Stage Blood: Five Tempestuous Years in the Early Life of the National Theatre Michael Blakemore Faber, pp.359, 20 Stage Blood , as its title suggests, is as full of virioli, backstabbing and

Michael Pancreatic Cancer Action

In September 2007, I went to have a routine blood test carried out and when the results came through I was found to have a very high liver count. I went to my local consultant and was diagnosed with pancreatic cancer. It was a 4cm tumour in the head of the pancreas and was also wrapped around the mesenteric artery. I had a Whipple procedure at the end of September. My surgeon managed to remove
