Stolen Desires - Stormy Glenn

5 STARS: "Ms. Glenn has continued her series Tri-Omega
mates series with this fast paced and stirring book. I fell in
love with Cary from the start when he isn't afraid to reach
for what he wants and his unwillingness to accept Saul's
behavior for what it seems to be.

review 1: This was book four in the series and finally had a
different plot to it. Sticking to the Hunter Pack which was
in the last book was refreshing.

It's one of Ms. Glenn's better stories in the series. I normally wouldn't give a five-star review to light tales like this, but since it does rise above the others, I passed on an extra star to it.
