Hendrik Lorenz Abstract. Plato's Republic introduces and employs an elaborate psychological theory whose core commitment it is that human motivation comes in three forms: rational, spirited, and appetitive. The Brute Within offers a detailed philosophical analysis of appetitive motivation and of Plato's conception of appetite as a part of the soul. In doing so, it explores both the

Bryn Mawr Classical Review 2008.05.41

The Brute Within proceeds in three parts, the first two (amounting to half the book) on Plato and the third on Aristotle. Each part, as well as the book itself, has an Introduction in which Lorenz helpfully signals what he is up to; the author frequently (though sometimes repetitively) summarizes his argument as he goes along. There is no mistaking his central claims; that in both Plato and
