While OWLs (online writing labs) have been a presence for many years, online learning--and therefore online conferencing--in writing classes has not. Beth L. Hewett's *The Online Writing Conference: A Guide for Teachers and Tutors* has joined this lively conversation at a critical moment. How does this book speak to the controversy? How does it speak to writing centers?

Beth L. Hewett's *The Online Writing Conference* addresses three under-repre-sented yet significant areas of online writing instruction (OWI): the theory and practice of textual exchanges, the nature and substance of dialogic in-teractions, and the wisdom of depending on traditional face-to-face writing theories and pedagogies to drive the work of OWI. She pays close attention to tutoring.
