Tides Quotes by Betsy Cornwell - Goodreads

Tides Quotes Showing 1-5 of 5 It's the colors that will make you stray. They sing to you, the not-blue and the searing light, and no matter how tightly you tie yourself to the inbetween, eventually you will break free.

Tides by Betsy Cornwell - Goodreads

Upon finishing *Tides*, my breath was taken away. I am still having trouble coming up with sentences that will actually do this novel justice. Cornwell beautifully captures the salt water waves of the ocean, the magical, fantasy beings called selkies, the ties that bind a family, and love.

**Review: Tides (Tides, #1) by Betsy Cornwell | Mermaid With ...**

Tides gives an insight to selkie life and addresses the selkies' worst fear of having their sealskin stolen from them. The interaction between Cornwell's selkie and human characters are a beautiful representation of how fantasy and magic can be present in our everyday lives. I found Noah and Mara's first meeting so adorable. Their relationship takes a bit of time to actually start developing.

Tides is a very laid back novel for the most part. It has this very tranquil, fairytale quality about it which I really enjoyed. It is a bit slow, and I felt like it jumped around a lot, but it was a very enjoyable read.
