[Understanding Common Core State Standards by John Kendall](#)

Understanding Come Core State Standards is a book that was written to give people the information they need to know about standards. I did not find it very informational. I use the common core and have for three years and I found this book confusing. I did not find it a positive book. I have studied and unpacked much of the Common Core and did not feel that this book was as informational as it [(Understanding Common Core State Standards)] [By (author ...

Sort of a nice little book addressing the common core, but for \$10+, you should save yourself the money. There are plenty of free online resources that can tell you the same thing. There are plenty of free online resources that can tell you the same thing.
